Your Excellency,

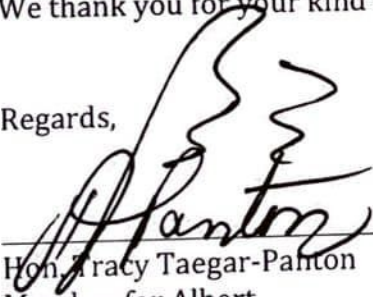

RE: Leader of the Opposition

We write pursuant to section 47 of the Constitution of Belize as the majority of the members of the House of Representatives who do not support the Government. We hereby notify Your Excellency that Honourable Patrick Faber commands our support for the office of Leader of the Opposition. It follows therefore that the present Leader, Honourable Moses Shyne Barrow, does not enjoy the support required to remain in office.

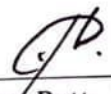

In the circumstances, we crave your urgent intervention pursuant to sub-sections 47(4) and 47(5) of the Constitution to remove Honourable Barrow from the office he now holds and to replace him with Honourable Partrick Faber who satisfies the constitutional requirement for appointment as indicated herein.

We thank you for your kind attention.
